

PROCEDURES FOR EARLY MORNING AUTOMOBILE DROP-OFF AT THE WEST SIDE FRONT ENTRANCE

PLEASE BE PATIENT AND HELP US KEEP YOUR CHILDREN SAFE!

Do not drop your child off prior to 7:40 or 5 minutes before their scheduled club. We realize people need to get to work, but we do not have the staff to watch your child.

DO NOT STOP AT THE MAIN ENTRANCE TO DROP OFF YOUR CHILD.

Pull all the way up to the monitor who is waiting at the west side/front doors and wait in line. Please remember to maintain a 5 MPH speed while on school property.

Children **MUST** exit the car on the curbside and NOT THE PARKING LOT (driver's side) side of your car.

Do not cut the line and make two lines. The line needs to be maintained as neat and orderly. You will be directed to pull around and get on the end of the line.

Do not park on the street, park in the front parking spaces, hop the guardrail and walk in front of traffic. We have had many close calls and this holds up the line. ALSO, please do not make a U-Turn in the parking lot, continue to exit to Lake Avenue straight in front of you.

Everyone's time is as valuable as yours. **YOU MUST BE PATIENT!**

Thank you for assisting us in keeping all children safe during this time. Traffic is busy outside during and patience is a must! We appreciate your order and cooperation!
