Girl Sprouts

Preschool is an exciting place to be! You meet new friends, try new things and have a lot of fun preparing for kindergarten. It also presents lots of opportunities to learn about being a good friend and helping others.

Girl Sprouts is a fun, educational program designed to introduce preschool age girls to the values that will help them thrive—the values of Girl Scouts. For over 100 years, our mission has been to build girls of courage, confidence and character, who make the world a better place.

The Girl Sprouts Activity Booklet walks you and your girl through a flower garden where she will participate in five skill building activities that will increase her confidence and prepare her for kindergarten and Girl Scouts.

Through Girl Scouts she will learn that anything is possible, how to be a good friend and to believe in herself, that being dedicated will make her dreams come true, and with courage and imagination, the world can be her playground.

Girl Scouts is open to every girl in kindergarten through twelfth grade and is a wonderful way for you to learn, grow and have a lot of fun with your daughter.

Start her Girl Sprouts adventure today by visiting to www.gssc.us/GirlSprouts.

Sign up and you will be emailed your activity booklet. Print and complete all the activities with your Girl Sprout and bring it into one of our GSSC Shoppes to earn her first free patch.
