

DEER PARK SUMMER CAMPS 2018

The Deer Park Athletic Department in conjunction with the Deer Park Booster Club will once again be offering a number of sports camps to our community members this summer. All of our camps will be directed by the varsity coaches from each individual sport assisted by other coaches and players from their respective programs. Please note that all staff directing the camps are acting independently, not in their school district roles, and do not represent the school district in any capacity during the summer sports camps. Proceeds from all of our camps go directly into the fundraising account of each sport.

The chart below contains information on the camps that will be available this summer. Please send an e-mail to the appropriate contact person for more information on any camp that you are interested in or go to the athletics page of the district website for the individual camp flier.
