

On October 13th The Town of Babylon and The Alzheimer's Foundation will host a "Walk in The Park" to raise Alzheimer's awareness and funds for a great cause. The Town of Babylon and AFA partnered to create the Town's first in the nation Respite Care Relief Park, which was funded through a grant provided by AFA to give caregivers a special place where they can go to take a break, enjoy the outdoors and spend time with their loved ones with Alzheimer's.

Creative Caregiving
Solutions

Rich Cronin
Chairperson

Ellen McVeety
Chairperson

Laura Pawlewicz
Chairperson

Paula Barbag
VP of Development

June Colasuonno
Development Associate

An estimated 50,000 Long Islanders live with Alzheimer's disease, and as many as 200,000 more serve as family caregivers. Knowing the impact of Alzheimer's has on the community, the Town of Babylon has been working with AFA over the last several years on ways to make the Town more dementia friendly. They held memory screening programs for residents, provided dementia training for staff members and hosted educational events to raise awareness in the community. Creating the Respite Care Relief Park was the next step

in those efforts.

This tranquil location was chosen to give those living with this disease and their care givers a safe public place to socialize. Along the walk way, educational signs were installed, providing information about Alzheimer's disease, respite care services, therapeutic activities for individuals living with Alzheimer's and stress management care for caregivers reminding them that they are not alone.

AFA is a 501(c) (3) national nonprofit organization whose mission is to provide optimal care and services to individuals confronting Alzheimer's disease and dementias, and to their caregivers and families through member organizations dedicated to improving quality of life.

This event is a family event and a chance for the Town of Babylon and surrounding communities to see just how families are benefiting from the park. We will kick off at a 10:00 am with a walk around the lake and then enjoy music, entertainment, food and beverages, face painting and so much more. There will also be vendor tables and raffles.

We invite you to become a sponsor for "A Walk in the Park". Proceeds will support the Respite Care Relief Park at Babylon and further our mission. If you have any questions about our event or require additional information, please do not hesitate to contact 866-232-8484. We look forward to a future partnership.

Warm Regards,

Charles J. Fuschillo, Jr.
President & CEO
