Associate Principals

Dear Parents/Guardians:

Deer Park High School will be closed for regular classes from Tuesday, January 22nd through Friday, January 25th and will be following a testing day schedule. The listing of exams is on the enclosed schedule. Also included on the schedule are in-class midterms and semester one finals that will take place in the days leading up to the testing week.

During the testing days (Jan. 22nd – 25th), students must adhere to the following guidelines:

- Students are to report to school **only when they have a scheduled exam.**
- Students will not have access to lockers on the days of testing.
- Students must show identification when they enter the building.
- As per the New York State Board of Regents, **a test is considered invalid if an electronic device is used in any way during an exam.** If a student needs to bring a cell phone to the building, it must be in a clear plastic bag with their student ID. The bag with the cell phone and ID will be collected.

Please review the enclosed material that outlines the procedures for the testing days:

- Building Safety and Sanitation Procedures
- Regents Review Classes
- Testing Schedule #1 (In-Class Midterms and Semester Finals)
- Testing Schedule #2 (New York State exams and Midterms)
- Bus/Parent Drop-off Schedule with Shuttle Stops

The safety and welfare of our students and staff are paramount, and the validity and integrity of the New York State Regents examinations must be safeguarded. Please be advised that Regents examination grades may be nullified if a test administration is interrupted. Therefore, your continued support is both critical and appreciated.

As we get closer to the testing period, students will receive an individualized testing schedule. If you have any questions or concerns, please call (631) 274-4100.

Sincerely,

Charles Cobb
enc.

Deer Park High School

Testing Period

January 2019

Building Safety and Sanitation Procedures

The New York State Education Department mandates that schools “sanitize” the building prior to a testing period, and maintain a level of security that ensures that the building remain secure for the entire testing period. In order to be in compliance, the following procedures must be strictly adhered to:

- Students will not have access to their lockers on the days of testing.
- There will be **only** 2 points of entrance for the week: the main entrance (lobby) and Exit 2 (normal parent drop off).
No one will be permitted to enter or exit the building through any other exit.
- Students will not be allowed into the building before 7:00 am.
- At both exits, students will pass through a security check. No electronics will be permitted in the testing area. Clear plastic bags will be the only bags permitted in the building – Backpacks, pocketbooks, etc. will not be permitted.
- Students **must place** their school ID with their cell phone in a clear plastic bag upon entrance to the building.
- After passing the security check all students will report directly to the auditorium where they will wait until being released to their testing rooms.
- Students must remain in the testing rooms until 10:00 for AM exams and 2:00 for PM exams.
- Upon completion of an exam, students must immediately exit the building or report to the auditorium to wait for buses.
- There will be an assigned area open between morning and afternoon exams for students who have exams in **both** sessions. However, the cafeteria **will not** be serving food - students **must** bring their own lunch in a clear plastic bag.

Students will only be permitted in the building if they have a scheduled exam or scheduled review class.
