DEER PARK LACROSSE 2ND ANNUAL SUMMER CAMP

Lacrosse is rapidly growing in the Deer Park area and we want to be sure we are properly introducing the game to the next generation of great lacrosse plyers. The Deer Park Lacrosse Club is hosting a camp for any boys K-8 interested in learning the basics and improving individual skills.

This camp is not just for beginners if you have prior lacrosse experience it is the perfect place to further advance your skills and advance your abilities on the field. Our goal is to provide the players in our program with the opportunity to play and improve in summer. In Deer Park we want the players to have the complete lacrosse experience and establish the program as a strong competitive one.

Our summer camp will be led by current Deer Park Varsity Coach James Curcio. In addition, the camp will have multiple coaches with either NCAA playing or coaching experience to lead drills and instruct. If you have any additional questions feel free to contact us using the information below.
