

DEER PARK

UNION FREE SCHOOL DISTRICT

Total Bond: \$17,000,000

**Approximately 62% of these costs will be covered by
NYS Building Aid.**

Why a bond...

The district has existing debt that is retiring. The new debt associated with the proposed bond referendum will essentially replace this old debt, resulting in no additional impact to residents.

The proposed projects address security, building improvements, and enhancements to our grounds.

It is important to note that if this proposition is approved, there will be no additional tax impact on residents.

Proposed Projects...
