BOOKBAGS & LOCKER USAGE:

Students should have a good book bag to travel to and from school. It should be worn properly with the weight evenly distributed, heaviest items at the bottom, using the shoulder straps and waist belt. Before Home Base, they should put their jacket and book bag in their locker. For in-school use it is suggested that students use two drawstring book bags. One can be used for morning classes and the other for afternoon classes. This enables them to carry less throughout the school day.
