August 2018

Dear Parent/Guardian:

The transition to Middle School is an exciting time in a child's life. However, this excitement is often accompanied by the nervousness of starting school in a new building. We at Robert Frost strongly believe that students are more academically successful when they feel comfortable in their school.

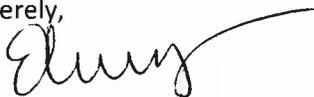

Therefore, we would like to invite all sixth grade students to attend an orientation program hosted by the Robert Frost Guidance Counselors on Thursday, August 23RD, **from 9:00 am until 11:00 am**. The purpose of the day is to help students adapt to their new environment. In addition to the Guidance Counselors, the administrative team and the 8th grade members of the National Junior Honor Society will be on hand to help during the orientation. Please be advised that this orientation is for students only.

Regular transportation will be provided to and from the school. Buses will pick students up at their assigned bus stops beginning at 8:30 am and will be leaving Robert Frost at 11:00 am. Students will receive notification of their bus stop when the schedules are mailed home in mid-August. Upon arrival, the students will be treated to breakfast provided by the Robert Frost Parent Faculty Club.

The building has been undergoing major construction this summer. Construction crews and custodians have been working tirelessly to get the building ready to open in September. Therefore, the building will not be open for parents and students to tour before school begins. Your children will have ample time to get accustomed to the building in September.

Enjoy the rest of your summer and we look forward to seeing your child on August 23rd.

Sincerely,

Eliana K. Levey, Ed. D.
