Assignment:

Choose one of the following options:

- You are dining at a Chinese restaurant with three characters from the novel you just read. On that particular night, the fortunes cookies are amazingly appropriate. Tell what each fortune cookie said and why it was especially fitting to the character who received it by including 3 or more specific examples from the text for each character.
- Think of what five (or more) gifts would be perfect to give to the main character. They can be tangible or intangible, but should be things that he/she would really want or could use. Explain why you chose each gift and how it fits your character (one paragraph minimum per gift).
- Write a character sketch for one of your characters. Write a character sketch describing your favorite character. Tell what the character is like (age, gender, physical description, etc.) and inside (personality), providing specific details from the story to support your response. Pay more attention to the internal qualities of your character. Include a drawing or photo of your character. The drawing is in addition to the written sketch. Include at least five (5) quotes and explanations that encapsulate your character.
- Write a script for a major news event from your story for a TV show. The script should reflect one of the major conflicts in your story. Include interviews with the characters involved in the events. Be sure to explain what happened, who was involved, where it took place, when it took place, and why it happened. How was the conflict resolved?
