

We are a volunteer group of parents and friends who understand and believe in the many benefits of involvement in the arts that help a student develop lifelong skills and confidence, lasting a lifetime and making a positive difference in a person's quality of life and contribution to society.

- **Mission:** Be a leader in support and advocacy at the Deer Park School System benefitting the performance and visual arts programs for grades 1-12.
- **Vision:** DPAC is a vibrant, self-sustaining organization that meets the needs of the performing and visual arts programs for the Deer Park School System while enhancing community involvement and support.

Our accomplishments include: Providing thousands in scholarships to Deer Park High School seniors, dance scholarships to elementary and middle school students, hosting successful live performances and workshops taught by industry leaders, and so much more!

We need your help to continue providing support for the fine and performing arts in Deer Park. You can help by donating or volunteering your time!
