

The Hooves and Hearts Foundation is overwhelmed with gratitude to announce our return to **Parkview Equestrian Center**. After sending 18 campers last year, we're excited to expand our impact and send even more this year! Thanks to the generosity of our supporters, **this foundation** will once again be sending **children** to Parkview summer camp; where they will enjoy riding lessons, the fundamentals of horsemanship, and trail rides throughout beautiful connetquot state park.

Last summer's camp was an overwhelming success. Our campers formed lasting bonds, gained confidence, and discovered the joy and healing power of working with horses. None of this would have been possible without the incredible staff at Parkview, our volunteers, donors, and everyone who believed in this program. We extend our heartfelt thanks to all who helped make last year such a memorable and impactful experience.

The foundation exists to honor the life of Emilia Rennhack, whose life was tragically taken too soon. By carrying forward the values she cherished most. Her love of horses, nature, and wildlife remains at the heart of everything we do. As part of this year's opportunity, we invite campers ages 6+ to participate in our **essay contest**. To enter, simply respond to the provided prompts **honestly, originally, and creatively**—straight from the heart. There are no "right" or "wrong" answers; we are looking for genuine reflections that express your thoughts, feelings, and personal connection to the first responders in your life. You can either submit through the link, mail or email the application to the addresses listed below by the deadline!

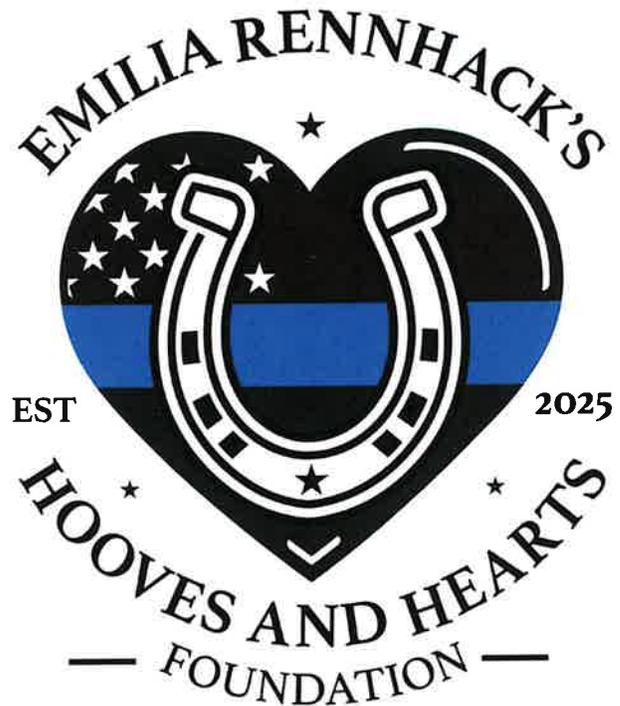

Deadline: Sunday, April 12th 2026 via mail, online submission or email!

Winners will be announced via our social media (instagram @erhoovesandhearts) or by phone on: Wednesday, April 22nd 2026, EARTH DAY

UNFORTUNATELY we can not accept applications from families of the Suffolk County Police Department due to the ongoing trial. Sorry for any inconvenience or disappointment, we look forward to opening up the contest to SCPD in the future!

We can't wait to read your stories and to create another unforgettable summer together. 🏠💙
