QUESTIONS/COMMENTS/CONCERNS, Board of Education

Mr. Gouskos made the following statement and thanked Ms. Demyen
For her leadership:

“As we wrap up this school, we believe it is important to take a minute and recognize Eva Demyen for all she has done for our district as our Leader.

Last year we made mention of how Eva was also looked upon by her peers here in the Western Suffolk region as a go-to person, from budget, to policy development, to business as usual decisions.

For some, they may have just kicked back at that point, yet not Eva.

Her continued drive once again during the past 12 months has now earned her a welcomed and invited presence up in Albany. Here she has been asked to provide her input and expertise on a diverse set of topics and committees ranging from developing Common Core Performance standards for the State, to reviewing the content of Regents exams before they are deemed acceptable for student testing.

Given there are hundreds of Superintendants throughout New York, her selection speaks for itself.

As recognized in the News last month, our district was singled out by NYS for its delivery of its curriculum, where upon it was documented and filmed as a best practice for others to witness.

Eva would be the first to say you are only as good as the team of people that surround you, with this being a prime example.

Thank you again for all you do. It is greatly appreciated”.

ADJOURN

Upon a motion by Mrs. Elliott, seconded by Mr. Centamore,
the Board of Education adjourned at 8:50 p.m.

**HAVE A SAFE
SUMMER!**
